

ARE YOU PREPARED?

Cal/OSHA requires
EVERY EMPLOYER to
implement and maintain
an effective Injury and
Illness Prevention
Program (IIPP)

**FREE
SAFETY
TRAINING**

WHEN:

Wednesday, December 5, 2018
9:00 a.m. – 11:00 a.m.

WHERE:

395 W. Spruce Ave., Suite #103
Clovis, CA 93611

AUDIENCE: Growers, Safety Officers, Farm Labor Contractors

This interactive course is provided in English and will help you learn how to identify common and emerging agricultural health and safety issues, investigate work-related accidents and injuries, and develop a successful IIPP.

A Cal/OSHA consultant will lead a Q & A session and discuss practical solutions. Attendees will receive a free guidebook with templates and tools for developing an IIPP.
