

Graduate Student Funding Report Guidelines

Instructions: Please use the following format for your report. Your report should not exceed two pages. Please submit your report to aghealth@ucdavis.edu no later than one month after the end of the quarter you were funded.

Student Name:

Graduate Group:

Project Title:

Advisor Name & Department:

Report Guidelines:

- I. **Brief Problem Description.** Describe your research question and how it relates to agricultural health and safety.
- II. **Summary of Activities.** Describe research activities undertaken during the quarter. Describe the next steps in your research to address the stated problem.
- III. **Progress Toward Dissemination.** List any presentations, posters, or publications funded in full or in part by this grant.

Acknowledgment Requirements: All presentations, posters, and publications resulting from WCAHS funding must acknowledge WCAHS and the NIOSH grant and use the WCAHS logo when appropriate (please contact WCAHS for logo files).

Please use acknowledgement language, such as:

This project was supported by the Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health (CDC-NIOSH) Cooperative Agreement # U54 OH007550.
